- **PC Link:** USB interface

### Accessories

- **Included Accessories:** Wireless receiver, 2 x AA Batteries, IFU / User Manual, Installation CD

SPM4701BB/97

## Product highlights

### >7 months battery life

Enjoy battery life for more than 7 months with the smart power management system. It saves battery life by turning off the mouse when it's not active.

### 1000 DPI high accuracy

The high 1000 DPI resolution makes this mouse extremely accurate. That means less movement, less effort and greater comfort and efficiency.

### 2.4 GHz connection

With the reliable 2.4GHz wireless connection you can control your mouse from up to 8 meters away. The product operates on a higher frequency than standard wireless devices so you will not experience interference from other wireless devices. For extra reliability, special encryption technology is used to maintain a non-interrupted connection.

### 4 way scroll wheel

Scroll in any direction with the handy 4-way scroll wheel of your mouse. Perfect for games or large spreadsheets, you can stop dealing with annoying scroll bars and move anywhere onscreen freely and easily.

### Precise optical sensor

Philips optical technology ensures extra accuracy and responsiveness. You can work with it on most surfaces, including wood, plastic or paper.
